

SPECIAL PEGASUS MEMBER OFFER

Ho'okele's mission is "Enabling Seniors to live well at home through our exceptional service." We make a real difference to Seniors and their families; and we leave our Clients in a better condition – with greater dignity, respect, personal care and connection - each and every time we serve them.

RN Navigation services:

Dealing with healthcare and eldercare issues can quickly become confusing, overwhelming and emotionally challenging. A RN Navigator provides an experienced, educated partner who will perform a comprehensive assessment, which includes goal setting, physical, medical and social needs, and will design and implement a service plan that is personalized for the senior and their families. Ho'okele offers different levels of senior care navigation services that can meet seniors' needs and maximize their ability to remain independent.

Ho'okele Care at Home services:

When in home services are needed, Ho'okele can design a detailed personalized service plan to meet the goals and needs of the senior and their family. Our team of professional clinical staff and personal care assistants provides a range of services, including companionship, help in arranging social outings, light housekeeping, to assistance with activities of daily living. Our goal is to help seniors to maximize their abilities to remain independent, safe and able to enjoy life.

Ho'okele Technology solutions:

iHealthHome provides a suite of technology tools to enable independence by creating a virtual community and safety net for the senior. It serves as a communication hub for families and any community resources providing services, motion sensors for safety, medication reminders, biometric monitoring to help manage chronic diseases, and entertainment components such as pictures, games and much more.

Special discounted rates and packages are available for Pegasus members.
